

Mobile Services Price List

Full pricing export — point of sale data

Prepared: 18 August 2026

Purpose: shop review copy, ahead of loading pricing into Mainspring

Contents:

1. Trade / wholesale price list — 55 services (retail + B2B/Tier 1/Tier 2/Tier 3)
2. Full mobile services retail catalogue — 70 line items
3. OEM key pricing by vehicle make — 262 entries across 43 makes
4. Garage door servicing price list — 10 services

All prices are current mobile-service seed data. Confirm before final sign-off with each shop.

1. Trade / Wholesale Price List

Retail price is what the mobile service charges the public. B2B Flat, Tier 1, Tier 2 and Tier 3 are the wholesale rates offered to shop partners, in increasing order of volume discount. Confirm these figures with the shop before they are loaded into Mainspring.
